

# Procharge 100

## REFRIGERANT CHARGING SCALE

The Procharge 100 digital refrigerant charging scale is a welcome addition to JAVAC's range of refrigerant service tools. An upgrade on the current best selling Procharge unit.

- Ideal for air conditioning and refrigeration
- This unit is highly accurate with 5 gram resolution and an increased weighing capacity of 100kg. The compact platform is 223mm x 223mm, easily removed from the carry case for use, also featuring an easy to read LCD display
- This unit also includes a memory function, holding the last reading until cleared. Even when the unit automatically shuts down after 10 minutes of non use, the last reading is still stored in memory
