

WHEELERS

Tech Pac Wheeler

WHEELED TOOL BAG

The Tech Pac Wheeler is a rolling version of the best-selling Tech Pac backpack tool bag. Featuring additional volume capacity & Veto Pro Pac's proprietary V-Swap™ system that offers the back meter panel to be swapped out with optional laptop or bulk storage panels (both sold separately), the Tech Pac Wheeler provides a versatile tool transport system functioning as both a wheeled and backpack tool bag.

- Optional & stowable backpack shoulder harness
- Thermoformed cushioned EVA back pad

Rugged materials & construction

Waterproof base: 3mm Injection molded Polypropylene. **Weatherproof body fabric:** 950 and 1250 PVC Impregnated denier fabric. **Weatherproof tool pocket fabric:** 1800 PVC Impregnated denier fabric. **Quick release metal hasp:** Easy access to rear storage bay and creates positive shoulder strap load connection. **Handle:** Injection molded nylon plastic with over-molded rubber grip. **YKK® Zips:** Double stitched, heavy duty plastic coil zips with oversized zip tabs. **Press studs:** 6 zinc, marine grade. **D-Rings:** Powder coated steel. **Rivets:** Gun metal/marine grade rivets. **Stitching:** Industrial strength double nylon stitching.
