

BLACKOUT

Tech-Pac Blackout

BACKPACK TOOL BAG

The Tech Pac Blackout is a blacked-out tool backpack for tool storage based on our Tech Pac but with Veto Pro Pac's V-Swap™ system that comes with front and back removable tool and meter pocket panels which are also exchangeable.

Note: This bag comes with the tool and meter panel. You do not have to select any panels for the bag to come with the tool and meter panels though you may purchase additional panels to offer a variety of configurations. Visit website for further details.

Rugged materials & construction

Waterproof base: 3mm Injection molded Polypropylene.
Weatherproof body fabric: 950 and 1250 PVC Impregnated denier fabric. **Weatherproof tool pocket fabric:** 1800 PVC Impregnated denier fabric. **Quick release metal hasp:** Easy access to rear storage bay and creates positive shoulder strap load connection. **Handle:** Injection molded nylon plastic with over-molded rubber grip. **YKK® Zips:** Double stitched, heavy duty plastic coil zips with oversized zip tabs. **Press studs:** 6 zinc, marine grade. **D-Rings:** Powder coated steel. **Rivets:** Gun metal/marine grade rivets. **Stitching:** Industrial strength double nylon stitching.
