Tech OT-LC

TOOL BAG

The Tech OT-LC is a large capacity wide open tote with removable/swappable vertical pocket panels. This bag comes with the 10 and 15-pocket tool panels and a bulk storage panel, and it also includes the large center box with two repositionable partitions and a removable insert box with a magnetic lid. The TECH OT-LC contains additional open space that can be reoriented, accommodating multiple tools & gear for a variety of tasks. Additional panels, partitions and insert boxes are available for purchase below.

Rugged materials & construction

Waterproof base: 3mm Injection molded Polypropylene.
Weatherproof body fabric: 950 and 1250 PVC Impregnated denier fabric. **Weatherproof tool pocket fabric:** 1800 PVC Impregnated denier fabric. **Quick release metal hasp:** Easy access to rear storage bay and creates positive shoulder strap load connection. **Handle:** Injection molded nylon plastic with over-molded rubber grip. **YKK® Zips:** Double stitched, heavy duty plastic coil zips with oversized zip tabs. **Press studs:** 6 zinc, marine grade. **D-Rings:** Powder coated steel. **Rivets:** Gun metal/marine grade rivets. **Stitching:** Industrial strength double nylon stitching.
